CFC# 10261

...for the sake of the child.

The Military Student Transition Consultant program is a partnership between Muscogee County School District and the Military Child Education Coalition. The Military Student Transition Consultant project is funded by DoDEA through a contract with the Military Child Education Coalition. Services are provided by the Military Child Education Coalition.

Military Student Transition Consultants

Moving and adjusting to a new school can be challenging for military students. Military Student Transition Consultants (MSTC) are here to address your questions and concerns. Your MSTC plays a pivotal role in establishing collaboration among school systems, education agencies, public and private youth services, community groups, and installation resources.

Contact your MSTC before, during and after your move to ensure a smooth transition.

MSTCs provide:
• Answers to your Muscogee County School District questions
• Fort Benning resource information
• Campus team resource information
• Assistance with enrollment processes
• Support for seamless transitions
• Help with special education issues
• Sharing of information with parents, school personnel, installation and community members

Military Child Education Coalition® (MCEC®) is a 501(c)(3) nonprofit, worldwide organization founded in 1998 to ensure quality educational opportunities for America's military-connected children. Mobility, family separation, and transition impact the children of our nation's service members and veterans. MCEC supports them by conducting research and developing resources to meet their needs. www.MilitaryChild.org

Muscogee County School District serves students from Muscogee County. www.muscogee.k12.ga.us

Military Student Transition Consultant program is a partnership between Muscogee County School District and The Military Child Education Coalition. The Military Student Transition Consultant project is funded by the Department of Defense Education Activity (DoDEA) through a contract with the Military Child Education Coalition.

MSTCs provide core curriculum information, installation resources, academic support and transition resources, student peer groups, presentations for education professionals, and navigation of special education programs.

The MSTC augments existing service and resources in support of military-connected students in the district. MSTCs works with campus teams, installation and community agencies to help military connected-students realize academic, personal goals and social goals.
