

## **Antonio Freitas**

Antonio Freitas is a Senior Content Manager on the US Social Impact Team at the Sesame Workshop. Here, he builds assets for Sesame Street in Communities and Sesame Street for Military Families, with a focus on operationalizing trainings for parents and providers. He has worked to create, implement, and refine professional development programs for early childhood educators at organizational, city, and national levels. Antonio also works as an Adjunct Professor within the Teacher Education Department of the Borough of Manhattan Community College. Antonio has a BSW from Seattle University, and a MST from Pace University.
