

Melissa Brymer, Ph.D., Psy.D.

Melissa Brymer, Ph.D., Psy.D. is the Director of Terrorism and Disaster Programs of the UCLA/Duke University National Center for Child Traumatic Stress and its National Child Traumatic Stress Network. In this capacity Dr. Brymer has been involved with the development of acute interventions, assessment, and educational materials in the area of terrorism, disasters, and school crises. She is the lead author of NCTSN/NCPTSD *Psychological First Aid for Schools* and *Skills for Psychological Recovery* and has served as a consultant for many Federal, state, and local agencies across the country and internationally after disasters, terrorism, school shootings, and other mass violence tragedies. Dr. Brymer is the lead advisor to the Newtown Public Schools Recovery Program, and is the PI for an NIJ research project examining the short and long-term impact of 12 different school shooting and mass violence incidence. Dr. Brymer is a key partner with the MUSC National Mass Violence Resource Center. She is a consultant for the US Department of Education and a subject matter expert for the Disaster Mental Health Subcommittee of the National Bio-Defense Science Board, the Office of the Assistant Secretary for Preparedness and Response (DHHS/ASPR), and for Substance Abuse Mental Health Services Administration (SAMHSA).
