Junior Student 2 Student® (JS2S®) is a student-led and faculty-advised program with the mission to take care of new students. A JS2S program shows students their new campus and community. It provides fun ways for new students to get to know other students and encourages new students to perform better in school.

Middle & Jr. High School Initiative

Military kids move **6-9 times** during their K-12 education, and change schools **3x** more often than their civilian peers.

“**This training was fun and made me very confident about helping new people.”**
