

# MCEC COVID-19 Resources for PARENTS

## Preschool to Grade 5

### Various Subjects

[Art](#) The Metropolitan Museum of Art has many ways to explore art online.

[Art Lessons on YouTube](#) Listing of YouTube art lessons. Probably most appropriate for younger learners but may appeal to a wide range.

[Class Dojo](#) This is a free communication platform to stay connected. Many teachers are using Class Dojo to connect with their students. The site also has resources and tips for parents.

[Educational Resources by PBS Kids](#) offers a variety of learning-related material and games, including the opportunity to sign up for daily activities and tips.

[Learning/Enrichment Resources](#) Educational resources for grades PK-5 provided by the Minnesota Public Schools on literacy, social studies, math, science, and more.

[National Geographic Kids](#) This large collection of multimedia resources teaches younger students about animals, habitats, countries, and cultures.

[Reading, Math, Science, Art Ages 2-8](#) ABCmouse.com is offering their lessons in different subjects like math, science and art for free thanks to UNICEF. All you have to do is go to ABCmouse.com/redeem and type in the code "AOFLUNICEF"

[Reading App for Military Families](#) The United Through Reading App puts our Story Station in the hands of every military family through your phone. The United Through Reading App is a fun, free, and secure way to stay connected through the read aloud experience. Service Members download the App (through the Apple App Store or Google Play), record a story, share that story and then head to our site to get another book to record and send to family.

[Sesame Street for Military Families](#) offers a wealth of resources, activities, videos and information for Military Families.

[Social-Emotional Learning Activities](#) Free lessons, activities, and printables in the following skill areas: Communication, Cooperation, Emotion Regulation, Empathy, Impulse Control, and Social Initiation. These resources are age-appropriate for elementary and middle school students.

[Worksheets, Different Subjects](#) Downloadable worksheets from GreatSchools.org for a variety of subject areas.
