### 2021 MCEC NTS PRE-SEMINAR PROFESSIONAL LEARNING EVENT | JULY 15, 2021

Get a jump start on the 2021 NTS, **Thursday, July 15**. Learn from subject matter experts and network with military-connected peers from around the world by registering for the courses of your choice below.

TIME	SESSION ONE	SESSION TWO
11:00-12:30 EDT	<b>INTO THE UNKNOWN - PREPARING FOR THE JOURNEY AHEAD AFTER AN UNPRECEDENTED SCHOOL YEAR</b>  Discover new and exciting ways to approach the upcoming school year during the panel discussion featuring leading experts in the educational field.  <a href="#">REGISTER HERE</a>	<b>READINESS IN THE “NEW” NORMAL</b>  Collaborate with MCEC, Zero to Three, National Child Traumatic Stress Network, Sesame Street, and Blue Star Families as we discuss proven steps to proactively address the challenges our military-connected children face with transitions.  <a href="#">REGISTER HERE</a>
12:45-2:15 EDT	<b>CREATING A CULTURE THAT EMBRACES EVERY STUDENT</b>  Discuss how strengths-based approaches and growth mindsets can lay the best foundations for military-connected students to be college-, work-, and life-ready.  <a href="#">REGISTER HERE</a>	<b>PURPLE APPROACH TO SUPPORTING MILKIDS</b>  Improve your understanding of Adverse Childhood Experiences (ACEs), the risk factors associated with childhood trauma, and ways to develop and implement positive coping strategies to support military-connected children.  <a href="#">REGISTER HERE</a>
2:30-4:00 EDT	<b>USING BRAIN SCIENCE TO ELEVATE HOW YOU TEACH AND TO ENHANCE HOW STUDENTS LEARN</b>  Explore the Neuroteach Global Pilot Access Program from the Center for Transformative Teaching and Learning who provides three free learning experiences on Mind, Brain, and Education (MBE) for educators, to learn how students’ brains learn, change, and thrive.  <a href="#">REGISTER HERE</a>	<b>THE POWER OF COMMUNITY AND COLLABORATION</b>  Learn more about ways community-based organizations and agencies are making an impact for military-connected children and families with a featured panel including MCEC, the VA, DoD, Substance Abuse Administration, RAND corporation, and Kids Rank.  <a href="#">REGISTER HERE</a>

\* All sessions are 90 minutes long and eligible for continuing education credit. **Pre-registration is required for access to all sessions. Must register for each session individually.**
